DETAILED ACTION

1. The Examiner's previous Office Action made final on (6/21/05) is vacated. The Examiner made an error on the previous Office Action, which was directed towards another application, classified in class 455, subclass 3.02 "receiver for satellite broadcast". The Examiner telephoned Amy Pattillo (512-402-9820) on June 27, 2005 informing to disregard the Office Action that was mailed 6/21/05 and another Final office Action will follow.

Information Disclosure Statement

2. The information disclosure statement (IDS) submitted on 5/16/05 has been entered and considered by the examiner.

Election/Restrictions

3. Newly submitted claims 47-48 and 51-56 are directed to an invention that is independent or distinct from the invention originally claimed for the following reasons:

Originally filed claims 1-36 and 47-52 are drawn to redirect billing, classified in class 379, subclass 114.21 "redirect billing".

Newly amended claims 47-48 and 51-52 and Newly added claims 53-56 are all drawn towards billing transactions, classified in class 379, subclass 93.12 "sales, ordering or banking system". See Applicants newly amended claims and newly added claims (paper dated 4/5/05) and supporting remarks on page 11, lines 5-14 wherein Applicants point to specification page 46, lines 19-21 and page 47 lines 19-22 relating to

Art Unit: 2643

callee may authorize an order that allows the caller to bill an account provider for the callee (i.e. "sales, ordering or banking system"---classified in class 379, subclass 93.12).

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, newly amended claims 47-48 and 51-52 and newly added claims 53-56 are withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

Conclusion

4. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
